

DIY Citrus Dusting Spray

Avoid the toxic ingredients in household cleaning agents by making your own natural & effective dusting spray

What You'll Need:

- 1 cup water
- 1/4 cup vinegar (cuts through grease and grime & disinfectants)
- 1 tsp olive oil (shines and protects wood)
- 10-15 drops of **Lemon essential oil*** (makes your home smell naturally fresh and clean!)
- Spray bottle

***Grapefruit, wild orange, tangerine, and/or bergamot** essential oil work well too! Craft a blend that you enjoy!

How To's:

Combine all ingredients into the empty spray bottle.
